

# Visiting TLD:

There once was a company called Top Left Design

You can get here by tube on the Piccadilly line

A two minute walk To central So-ho

Down Bouchier street for those in the know

For those who have not been here before

It's as simple as finding the large, glass, door

Once you are there just buzz number 1

For websites and logos and all kinds of fun!

Our address is Studio 1, 12 Bouchier Street, London W1D 4HZ.

The nearest tubes are Picadilly, Leicester Square, or Tottehnham Court Road.

We are between Dean Street and Wardour Street, one block behind Old Compton Street in Soho. When you arrive there is a buzzer beside the glass door, press the number 1. We will then buzz you in! Once you walk up the path you will see a second glass door to your right.

Please press number 1 once again and we will buzz you in again to the next door.

To your left is Studio 1, where Top Left Design awaits you!
